Kent Woodlands Property Owners Association

KENT WOODLANDS PROPERTY OWNERS ASSOCIATION
CONSENT TO RECEIVE ELECTRONIC TRANSMISSIONS

As a Member of The Kent Woodlands Property Owners Association, you must provide an unrevoked consent in order to receive official communications from the HOA via electronic transmission (e-mail). This consent form will allow the HOA to send you meeting notices and other official information via e-mail.

Before signing this consent form, please review and be aware of the following:

1. Receiving information electronically is optional, although it does cut down on costs for KWPOA, preserves resources, and hopefully is convenient for you as a member.

2. You have the right to withdraw your consent at any time after signing this form by providing the HOA with written notice that you are withdrawing your consent to receive information by electronic transmission.

3. This consent to electronic transmission is broad, and may include transmission of meeting notices, newsletters, dues statements, as well as other required and optional communications.

4. Consenting to electronic transmission via e-mail requires that you have access to a computer, have a current e-mail account in your name, and have provided your current e-mail address to the HOA. You are solely responsible for providing written notice to KWPOA in the event your email address changes.

The undersigned Member has read and understands the foregoing, and hereby provides this un-revoked consent to receive and send information, including but not necessarily limited to meeting notices and other information regarding KWPOA, via electronic transmission, until such time as this consent is revoked in writing.

Name(s): _____

Signature(s): _____ Date: _____

KWPOA Property Address: _____

E-mail address(es): _____
