Newsletter #329

April 2023

The monthly newsletter of the Kent Woodlands Property Owners Association

President's Note

Dear Kent Woodlands Residents,

As I write this, it's currently (still) raining at our house. I can't remember a winter this wet here ever, and I'm a Marin native! Overall, it feels like our neighborhood fared ok without too many downed trees and no major damage that I'm aware of, with the exception of the slide and lane closure on Goodhill (we've been assured County engineers are addressing this as a top priority).

I wanted to take the opportunity in this month's letter to bring you up to speed on the following things going on in and around our neighborhood:

Magnolia Village Development: As you can see from the story poles that recently went up on the corner of Magnolia & Estelle down the street from our neighborhood's entrance, there is a new mixed-use retail and residential development being proposed. I have heard from a number of our residents, including those of you on College Avenue who can see the structure from their homes and could be impacted by the anticipated increase in parking demand and traffic. Following the Larkspur Planning Commission's approval of the development (during a meeting that many of you attended), an appeal has been filed. I will keep everyone informed if a public hearing is scheduled so you can listen or make comments /ask questions.

Roundabout at College & Woodland: During several of our recent board meetings, we have discussed the idea of a roundabout at the intersection of Woodland and College as a way to improve safety and traffic flow. While we're only one community stakeholder in this potential project (aside from COM, the gas station, and the County), we're a very well-organized & well-represented residential community who might be able to help move this along. I'll keep you posted when I have any updates to share.

Kent Woodland's Carbon Neutrality task force has been kicked off with a very robust group of you, led by our board's very own Julie Johnson. Their next meeting will be held on April 5th from 5-6pm. Please contact julie@jmj-studios.com for more info.

A **Pet Evacuation Preparedness Event** will take place in our Acorn lot on Sunday April 23rd from 10:00 a.m. – 1:00 p.m. This is an opportunity to have your dogs' and cats' microchips updated with correct contact information at no charge and to learn more about evacuation preparedness, consistent with my commitment to prioritize hazard mitigation in Kent Woodlands. Please contact Heather at hhill@kwpoa.com for more info.

Kent Woodlands residents with young families are getting together for their first meet-up on April 30th, and I understand there's a solid number of you for this first gathering. Contact Michelle Varney at mlgezo@gmail.com for more info.

Kent Woodland's spring food truck event will be Sunday May 21st 5:30-7:30 in our Acorn Lot. Please mark your calendars for this family-friendly event.

Finally, I encourage you to attend our monthly board meetings! We have started using a new zoom video system to help improve the video and audio quality of these hybrid meetings. You're also welcome to attend in person at our office next door to the Kentfield Fire Station. I've adjusted our public comment period so you're now welcome to opine on any topic as we're on that agenda item before any votes take place so the meetings feel a bit more casual. Meeting details can be found in our monthly newsletters, or you're always welcome to reach out to us at info@kwpoa.com.

Sincerely,
Jeff Leh, President

INDEPENDENT ACCOUNTANTS' REVIEW REPORT

Board of Directors
Kent Woodlands Property Owners Association
Kentfield, California

I have reviewed the accompanying statements of Kent Woodlands Property Owners Association (a nonprofit mutual benefit corporation) which comprise the balance sheet as of December 31, 2022, and the related statement of revenues, expenses and changes in fund balances, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Kent Woodlands Property Owners Association's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

The financial statements of Kent Woodlands Property Owners Association as of December 31, 2021, were reviewed by other accountants whose report dated March 16, 2022, stated that based on their procedures, they are not aware of any material modifications that should be made to the financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Accountant's Responsibility

My responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for my conclusion.

I am required to be independent of Kent Woodlands Property Owners Association and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements related to my review.

Accountant's Conclusion

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Kent Woodlands Property Owners Association has not estimated future common property maintenance expenditures because the amounts are considered immaterial and, therefore, has not presented supplemental information of estimated future expenditures from its reserve fund and its future funding requirements that the American Institute of Certified Public Accountants has determined is required to supplement, although not required to be a part of, the basic financial statements.

KENT WOODLANDS PROPERTY OWNERS ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2022

NOTE 1 - GENERAL

Kent Woodlands Property Owners Association (the Association) is a California nonprofit mutual benefit corporation that was established on June 1, 1966. The Association's purpose is to enforce the rules and regulations adopted by the Board of Directors, the covenants, conditions and restrictions as set forth in the *First Restated Declaration of Covenants, Conditions, and Restrictions for Kent Woodlands*, and the deed restrictions encumbering certain lots and parcels within the Kent Woodlands real estate common interest development located in the County of Marin, California. The Association was also organized to own, repair, maintain and manage the common property of Kent Woodlands, and to otherwise enhance and promote the use and enjoyment of Kent Woodlands.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements and records of the Association are prepared on the accrual basis of accounting and, therefore, include all support and revenues when earned and all expenses when incurred, regardless of whether the support and revenues or expenses were received or paid as of the end of the period.

B. Fund Accounting and Reserve Fund

The Association uses fund accounting, which requires that funds, such as operating funds and reserve funds, be classified separately for accounting and reporting purposes. The Association maintains a reserve fund primarily to pay for extraordinary expenditures that cannot be funded by the operating fund, such as substantial maintenance of its common property or legal action necessary to enforce its regulations. Disbursements from the reserve fund and operating fund are generally at the discretion of the Board of Directors. Disbursements from the reserve fund generally may be made only for designated purposes.

C. Cash and Cash Equivalents

For purposes of reporting the statement of cash flows, cash and cash equivalents include cash on deposit with financial institutions and highly liquid investments with a maturity of three months or less.

D. Property and Equipment

Property and equipment is depreciated using straight-line methods over their estimated useful lives ranging from three to seven years. As of December 31, 2022 and December 31, 2021, the Association's property consists of land with a historical cost of \$4,490 and \$4,490, respectively. No depreciation expense is taken on the land. Maintenance, repairs, and renewals that neither materially add to the value of the property nor appreciably prolong its useful life are charged to expense as incurred. Any impaired assets will be written down to their actual value.

KENT WOODLANDS PROPERTY OWNERS ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Residential Assessments and Allowance for Uncollectible Assessments

Members are subject to an annual assessment to provide funds for the Association's operating expenses and the funding of its reserve fund. The annual budget and member's assessments are determined by the Association's Board of Directors. Assessments receivable represents fees due from members at the balance sheet date. At December 31, 2022 and December 31, 2021, assessments receivable were immaterial. The Board of Directors has the authority to levy special assessments against its members and their lots. Certain assessments require prior membership majority approval. Specific related information is available in the *First Restated Declaration of Covenants, Conditions, and Restrictions for Kent Woodlands*.

F. Revenue Recognition

Revenue is recognized in accordance with authoritative guidance, including *ASU 2018-08, Not-for-Profit Entities (Topic 605)* and *ASU No. 2014-09, Revenue from Contracts with Customers (Topic 606)*.

Certain payments received include both elements of contributed income and earned income, and management evaluates such transactions to determine the proper revenue rules to apply and to bifurcate the revenue components. When applicable, revenue earned under a contractual arrangement (an "exchange transaction") is recognized when earned and therefore measured as services are provided in accordance with Topic 606.

G. Use of Estimates

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles and, as such, include amounts based on informed estimates and judgments of management with consideration given to materiality. Actual results could differ from those estimates.

H. Risk Management

The Association is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Association carries commercial insurance.

I. Subsequent Events

In preparing these financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through March 14, 2023, the date the financial statements were available to be issued.

KENT WOODLANDS PROPERTY OWNERS ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

J. Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with Kent Woodlands Property Owners Association's financial statements for the year ended December 31, 2021, from which the summarized information was derived.

K. Implementation of Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. The guidance in this ASU supersedes the leasing guidance in *Topic 840, Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. The new standard is effective for fiscal years beginning after December 15, 2021, including interim periods within those fiscal years. The Association adopted the standards on January 1, 2022.

NOTE 3 - INCOME TAXES

Property owner associations may be taxed either as an owner association or as a regular corporation. For the year ended December 31, 2022, the Association was taxed as an owner association. Under that election, the Association is taxed on its nonexempt function net income, such as interest income and certain nonexempt function expenses, at a flat rate of 30%. Exempt function income, which consists of member assessments and other member fees, is not taxable.

The Association has analyzed the various federal and state filing positions and believes that its income tax filing positions and deductions are well documented and supported. Additionally, the Association believes that no accrual for tax liabilities is necessary. Therefore, no reserves for uncertain income tax positions have been accrued.

NOTE 4 - CASH AND CASH EQUIVALENTS

The cash balances as of December 31 are as follows:

	2022	2021
Bank of America	\$ 12,663	\$ 10,991
Charles Schwab	<u>232,697</u>	<u>256,008</u>
Total	<u>\$ 245,360</u>	<u>\$ 266,999</u>
Operating Fund	\$ 170,360	\$ 191,999
Reserve Fund	<u>75,000</u>	<u>75,000</u>
Total	<u>\$ 245,360</u>	<u>\$ 266,999</u>

The account balances were insured under the \$250,000 blanket umbrella by the Federal Deposit Insurance Corporation (FDIC).

KENT WOODLANDS PROPERTY OWNERS ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2022

NOTE 5 - RESERVE FUND

The Association maintains a reserve fund primarily to pay for extraordinary expenditures that cannot be funded by the operating fund, such as substantial maintenance of its common property or legal action necessary to enforce its regulations. Disbursements from the reserve fund are generally at the discretion of the Board of Directors. Disbursements from the reserve fund generally may be made only for designated purposes. The Reserve Fund as of December 31, 2022 and December 31, 2021 was \$75,000 and \$75,000, respectively.

NOTE 6 - OPERATING LEASE RIGHT-OF-USE ASSET AND LIABILITY

The Association has entered into an operating lease to rent the facility at 1010 Sir Francis Drake Blvd. Suite 200, Kentfield, CA 94904 pursuant to a lease agreement that expires on October 31, 2023. The lease agreement has an option to extend the term for a 36 month period. The rent expense is currently \$1,972 per month and the security deposit not applicable towards last month's rent is \$1,250.

Rent expense for the years ended December 31, 2022 and December 31, 2021 was \$23,444 and \$21,732, respectively.

Amounts recognized as right-of-use assets related to operating leases are included in the accompanying Balance Sheet, while related lease liabilities are included in the operating lease liabilities. As of December 31, 2022, right-of-use assets and lease liabilities related to operating leases were as follows:
